

THE PORK PEDALERS

The Pork Pedalers is a cycling club dedicated to raising money for HIV/AIDS organizations by riding our bikes. Our club participates in organized charity rides across the country. We are currently seeking sponsors to help underwrite the cost of our team kit.

This kit is worn on training rides throughout California, Washington, New York, and various long-distance events across the country such as AIDS/LifeCycle & SMART Ride.

Our 2018 design is based on traditional festival "happi" coats and salutes our love of tonkatsu ramen!

**2018 Kit Theme:
"Butaniku Brothers"**
